

Call for Research Proposals - Educorp University

Educorp University is pleased to invite faculty, postgraduate students, and independent researchers to submit research proposals for funding under our 2025 Institutional Research Support Program.

We seek proposals aligned with the university's strategic areas of focus, including but not limited to:

- Artificial Intelligence and Machine Learning Applications
- Data Science for Development and Policy Impact
- Climate Change and Sustainable Solutions
- Global Health and Community Wellbeing
- Education Technology and Digital Inclusion

Successful applicants will receive funding ranging from KES 200,000 to KES 1,000,000 based on the scope, feasibility, and potential impact of the proposed research. Proposals should demonstrate originality, scholarly merit, and relevance to real-world challenges.

Eligibility:

- Open to all academic staff and postgraduate students affiliated with Educorp University.
- Collaborative proposals with international partners are highly encouraged.

Submission Deadline: September 30, 2025

Submission Format: Proposals must be submitted as a single PDF (max 10 pages) to research@educorp.ac.ke
